MEMORANDUM FOR DEPUTY ASSISTANT SECRETARY OF THE ARMY
(PROCUREMENT)
DEPUTY FOR ACQUISITION AND BUSINESS MANAGEMENT,
ASN(RD&A)/ABM

SUBJECT: Reinstatement of Small Business Set-asides Under the
Small Business Competitiveness Demonstration Program

The Office of Federal Procurement Policy (OFPP) implemented the Small Business Competitiveness Demonstration Program by issuance of a test plan on August 31, 1989, and an amended test plan on April 16, 1993. The program was further implemented in FAR subpart 19.10 and DFARS subpart 219.10.

Under the program, small business set-asides were initially suspended for certain designated industry groups. Agencies are required by paragraphs III.D.2.a. and IV.A.4. of the OFPP test plan to reinstate the use of small business set-asides whenever the small business awards under any designated industry group fall below 40 percent or whenever small business awards under an individual Standard Industrial Classification (SIC) Code within the designated industry group fall below 35 percent. Reinstatement is to be limited to the organizational elements (in the case of DOD, the individual Military Departments or other Components) that failed to meet the small business participation goals.

The DOD procurement data system indicates that for the 12 months ending March 1998, our awards under the following industries fell below the 40 percent (SIC Major Group 15) or 35 percent (SIC Code 1629) thresholds. Accordingly, pursuant to DFARS 219.1006(b) (21, I direct the reinstatement of small business set-aside procedures pursuant to subpart 19.5 of the FAR for all solicitations issued on or after the date of this letter,

All Navy Activities

You are reminded that by memorandum of September 30, 1991, small business set-asides were reinstated departmentwide for the designated industry group titled "Architectural and Engineering Services". This reinstatement remains in effect. Also, OFPP raised the emerging small business reserve amount for Architectural and Engineering Services from \$25,000 to \$50,000 on September 13, 1991; this increase remains in effect.

Please ensure that all appropriate contracting personnel are notified of the changes to the Small Business Competitiveness Demonstration Program, and that timely implementation is effected.
